

GUIDELINES IN FIRE AND SAFETY

A workshop on the topic “Guidelines in Fire and Safety” was organized by The Printers Cluster (North Malabar Offset Printers Consortium Pvt. Ltd.). Under the STRIVE project for our cluster member unit and apprentices of DTP and OMM(Batch 1) as a part of capacity development program on 6/1/2021 @ 10 am at North Malabar Offset Printers Consortium Pvt.Ltd.

The workshop was inaugurated by Mr.C.R Nandakumar.(CEO, North Malabar Offset Printing Consortium Pvt.Ltd.). by Mr.Surendran (Retd.Fire & Rescue Officer, Kannur) gave the presentation on the topic “Guidelines on Fire and Safety”. The seminar mainly focused in providing awareness to the apprentices how to keep out of fire and to use fire extinguishing measures in the pre- press, press & post press areas. He illustrated very useful information regarding the different accidents occurred in printing press due to carelessness.

The workshop was ended by vote of thanks given by Mr.C.K.P Mohammed Rayeez (Managing Director, North Malabar Offset Printers Consortium Pvt. Ltd.).
