

## **Post Press Management in Printing Press**

A workshop on the topic “Post Press Management in Printing Press” was organized by The Printers Cluster (North Malabar Offset Printers Consortium Pvt. Ltd.). Under the STRIVE project for our apprentices of DTP(Batch 3) and unit members as a part of capacity development program on 20/3/2022 @ 10 am at North Malabar Offset Printers Consortium Pvt.Ltd.

The workshop was inaugurated by Mr.C.R Nandakumar(CEO, North Malabar Offset Printing Consortium Pvt.Ltd.). Mr. P.M Balakrishnan (Proprietor, Varnamudra Graphics, Payyannur) gave the presentation on the topic “Post Press Management in Printing Press”. The workshop mainly focused in providing awareness to the member units how to manage the pre-press for getting better quality and production in printing press. Proper training to employees regarding how to identify unsafe practices, correct use of aids, appropriate handling techniques.

After that question and interaction session was held in which the apprentices also shared the informations.

The workshop was ended by vote of thanks given by Mr.C.K.P Mohammed Rayeez (Managing Director, North Malabar Offset Printers Consortium Pvt Ltd.).
